

	OEM	Sales / Procurement	Local Specification, Sizing, Planning etc.	Local Basic "Hands-On": Deployment, Installation	Local Advanced "Hands-On": Repairs Calibration etc.
<b>Drilling Equipment</b>					
Drilling Machinery, Mud Equipment & Accessories					
Production Surface Equipment & Accessories					
Drilling Tools & Retrievable Production Tools					
Casing, Tubing, Liner, Connectors & Accessories (OCTG)					
Cementing Equipment & Liner Hanger Systems	TBA1				
Wellhead Equipment, Xmas Trees & Accessories					
Production String Components	TBA1				
BOP & Accessories					
Down Hole Pressure Control Equipment	TBA1				
<b>Material &amp; Product Handling Equipment</b>					
Cranes, Davits, Hoists & Winches	TBA2				
Baskets, Containers and Trolleys	TBA2				
Trucks, Forklifts etc.	TBA2				
<b>Pumps &amp; Accessories</b>					
Centrifugal & Rotary Pumps					
Reciprocating Pumps					
Diaphragm Pumps					
Screw Pumps					
Submersible Pumps					
Multiphase Pumps					
Liquid Jet Pumps / Eductors					
<b>Drivers &amp; Accessories</b>					
Electric Motors / Drives					
Oil/Diesel Engines	TBA2				
<b>Pipes, Tubes, Hoses &amp; Fittings</b>					
Seamless Pipes & Tubes					
Welded Pipes & Tubes					
Non-Metal Pipes & Tubes					
Flanges, Elbows, Fittings, Hangers & Pipe Supports					
Gaskets, Jointings, Packings & Tightenings					
<b>Valves &amp; Accessories</b>					
Check Valves					
Control Valves and Accessories					
Safety Valves, Relief Valves and Bursting Discs					
Subsea Valves					
Solenoid Valves					
Actuators and various Valve Instrumentation					
Ball Valves					
Butterfly Valves					
Diaphragm Valves					
Gate Valves					
Globe Valves					
Needle Valves					
Plug Valves					
Other Valves and Accessories					
<b>Workshop &amp; Handtools</b>					
Workshop Equipment & Handtools					
Welding Equipment & Accessories					
Cleaning Equipment & Accessories					
Mechanical Handtools					
Electrical Handtools					
Testing & Measuring Instruments/Equipment					
<b>Engineering Services</b>					
Project Administration Services					
Production /Petroleum Engineering Services					
<b>Consultancy Services</b>					
Sub-surface Consultancy (Geological, Geophysical, Reservoir)					
<b>Petroleum Technology Services</b>					
Geophysical Interpretation Services					
Petrophysical Interpretation Services					
Geological Evaluation Services (Organic Geochemistry, Petrology, Diagenesis)					
Reservoir Evaluation Services					
Other Petroleum Technology Services					
<b>Other Supporting Services</b>					
Training Course / Seminar Services	TBA3
